

# Ask us about our **SENSORY ROOM**

## **Bubble Wall**

The vibrant and streaming bubbles create a calming atmosphere.

## **Liquid Floor Tiles**

Encourage sensory integration and focus.

## **Sensory Items**

Provide stress relief and sensory stimulation for focus and calming.

- Glitter tube
- Light up wand
- Stretchy noodles
- Rings
- Sensory discs

## **Noise Reduction Headphones**

Provide sound reduction to reduce stress.

## **Weighted Gel Lap Pad**

Provides pressure and a sense of being grounded and can help user to sit longer.

## **Buzzy**

Needle pain relief. Place Buzzy on injection site for 30-120 seconds.

Thank you to the AWS Foundation for  
supporting Super Shot!
