

2025 CDC Pink Book Course Event Sponsorship

The 2025 CDC Pink Book Course

Super Shot, Inc. is excited to host our first Centers for Disease Control and Prevention (CDC) Epidemiology and Prevention of Vaccine-Preventable Diseases (The Pink Book) course! The 2025 CDC Pink Book Course will take place on April 23 and 24, 2025 at the Grand Wayne Center in Fort Wayne, Indiana.

This event will draw approximately 200 attendees including physicians, nurses, nurse practitioners, physician assistants, medical assistants, pharmacists, immunization providers, program managers, nursing and medical students, and other medical support staff.

Why Sponsor or Exhibit at The Pink Book Course?

The 2025 Pink Book course is an excellent opportunity to connect with healthcare professionals and vaccine providers across Indiana and learn about new vaccine updates and vaccine-preventable disease guidelines. This event is an ideal networking opportunity with a substantial audience who appreciates your commitment to keeping our community safe and healthy through immunization.

Your investment will assist us in providing programs and services that support increased access to immunizations and immunization education across the state. It will also allow us to provide the opportunity for CDC faculty to share critical vaccine education with the immunization and healthcare professionals involved in vaccine delivery in Indiana.
