

VISIT OUR SENSORY ROOM

If you or your child has sensory needs, Super Shot offers a sensory-friendly exam room with a bubble wall, dimmable lights, fidget toys, and comfortable seating.

Sensory items provide stress relief and sensory stimulation for focus and calming.

Noise reduction headphones: provide sound reduction to reduce stress.

Weighted Gel Lap Pad: provides pressure and a sense of being grounded, and can help patients to sit longer.

Buzzy: helps with needle pain relief. Place Buzzy on the injection site for 30-120 seconds.

WE ACCEPT ALL INSURANCE!

Bring your insurance card to your appointment. If you are uninsured or underinsured, there is a \$15 administration fee per immunization.
