

Super Shot has provided affordable and accessible vaccines to the Fort Wayne area for the past 30 years.

We offer vaccinations for adults and children, an experienced clinical team and family-friendly hours.

All CDC recommended immunizations for adults and children are available.

If you or your child has sensory needs, Super Shot offers a **sensory-friendly exam room** with a bubble wall, dimmable lights, fidget toys, and comfortable seating.

Super Shot is a nonprofit clinic funded through the generosity of community partners and donors.
